MADRAS RECORD GRADE-

Summarising Note.

Prohibition - Enforcement - Extension to the ~~New non~~ New prohibition districts from 2-10-48 - Bicycles - Purchase of - Sanctioned.

In order to ~~ensure~~ enforce prohibition in the non-prohibition districts when prohibition will be extended to them from 2-10-48, the Government have sanctioned the necessary enforcement staff and equipments. The Board of Revenue separately requested sanction for the purchase of 1016 cycles for prohibition (Enforcement) work in these districts. On the scale of supply of cycles sanctioned previously for the enforcement of prohibition in the West Coast districts of Malabar, South Kanara and the Nilgiris, this department recommended, and Finance accepted, that only 856 cycles need be sanctioned. As "Hind" or Hindustan" cycles costing Rs120/- each are available and taking into consideration the transport charges and the cost of necessary accessories etc. the Finance Department recommended, that the cost of the cycles might be Rs. 130/- each. The Government have accordingly sanctioned the supply of 856 cycles at a cost not exceeding Rs. 130/- each. The cost of the proposal works out to Rs. 1,11,280/-. In view of the extreme urgency of the matter and the fact that the cycles should be made available to the prohibition (Enforcement) staff in the new prohibition districts from 2-10-48, orders for sanctioning the supply of 856 cycles, at a cost not exceeding Rs. 130/- each, were obtained, in circulation to Honourable (Food Department) Honourable (Finance) and Honourable Premier. Copies of this summarising note may be circulated to the other Honourable Ministers, the Chief Secretary and the Finance Department.
